*9 Physical and chemical properties

Information on basic physical and chem	nical properties
 General Information 	
Appearance:	
·Form:	0
·Color:	Accor n to pro uct sp c cat on
·Odor:	C aract r st c
· Odor threshold:	ot tr n
-pH-value:	ot app cab
• Change in condition	
Melting point/Melting range:	un tr n
Boiling point/Boiling range:	C F
• Flash point:	C 9 F
• Flammability (solid, gaseous)	ot tr n
· Ignition temperature:	CF
 Decomposition temperature: 	ot tr n
- Self-igniting:	ro uct s not s nt n
